LOCATION

The Baron Palace Resort Sahl Hasheesh is beautifully and ideally located in the heart of Sahl Hasheesh Bay, a new 41 million m² promising destination, which is 17km south of Hurghada International Airport; the Resort itself is 20km away from downtown Hurghada. BACKGROUND

Baron Palace Resort Sahl Hasheesh, a five-star luxury Hotel, is a secluded haven impeccably landmarked on 100,000m² on the coast of the legendary breathtaking diving and snorkeling paradise of the Red Sea waters, 80,000m² (80% of the total land area) of which, are occupied by a blend of luscious landscape edged by mega-sized palm trees and evergreen vegetation. The front scene of the Hotel, extending on over 600m of private sandy beach, privileges rooms and public areas with an exceptional full sea view, bright sunlit interiors and sunset scenery. On the backdrop are miles of serene unspoiled desert and mountains.

ARCHITECTURAL STYLE

The unsurpassed classic Mediterranean architectural flair of this amazing Resort is inspired by some of the most stunning Arabian palaces, surrounded by flourishing luxuriant gardens and shimmering blue infinitive pools, blending the splendors of history with the comforts of modern amenities, and creating an oasis of tranquility to relieve the stresses and welcome the guests. The interiors are designed with an oriental theme of style and elegance, with impressive patterns and the most precious materials to decorate the Hotel. At the entrance, a traditional Arabic courtyard (sahn), offers a luxurious feeling of space enriched by fine materials. To tie in with the Egyptian style, beautiful mashrabiya panels are incorporated. In the main hall entirely facing the stunning open views of the bay, grand circular staircases lead up to the first floor, giving the space glamour and a regal value.
