TRAVEL TO PHU QUOC

DISCOVER PHU QUOC

Explore Phu Quoc National Park

Located to the northeast of Phu Quoc, Kien Giang, Phu Quoc National Park is one of the national parks that still preserve intact forests with the majestic scenery of mountains, trees, streams, waterfalls and the sea.

Scuba-diving with a snorkel

Phu Quoc is one of the best scuba-diving spots in Vietnam thanks to its colorful coral reefs, which thrive in shallow, warm, and easily accessible waters. Whether you plan to dive for the whole day or just for a while, most operators in Phu Quoc will offer individual snorkels when you use their services.

Fish sauce barrel house

The charm of Phu Quoc comes not only from its nature-gifted landscape, but also from unique, local flavors - one of which is the famous Phu Quoc fish sauce. Pure fish sauce extracted from the best anchovies and produced in age-old, traditional barrel houses is a staple of Pearl Island.

Phu Quoc Night Market

Located in Duong Dong Town, Phu Quoc Night Market is an outdoor shopping & dining area where visitors can buy souvenirs, Phu Quoc's pearls and street food, and grilled seafood prepared by locals. Sunset is the time when this destination becomes the most bustling and exciting.

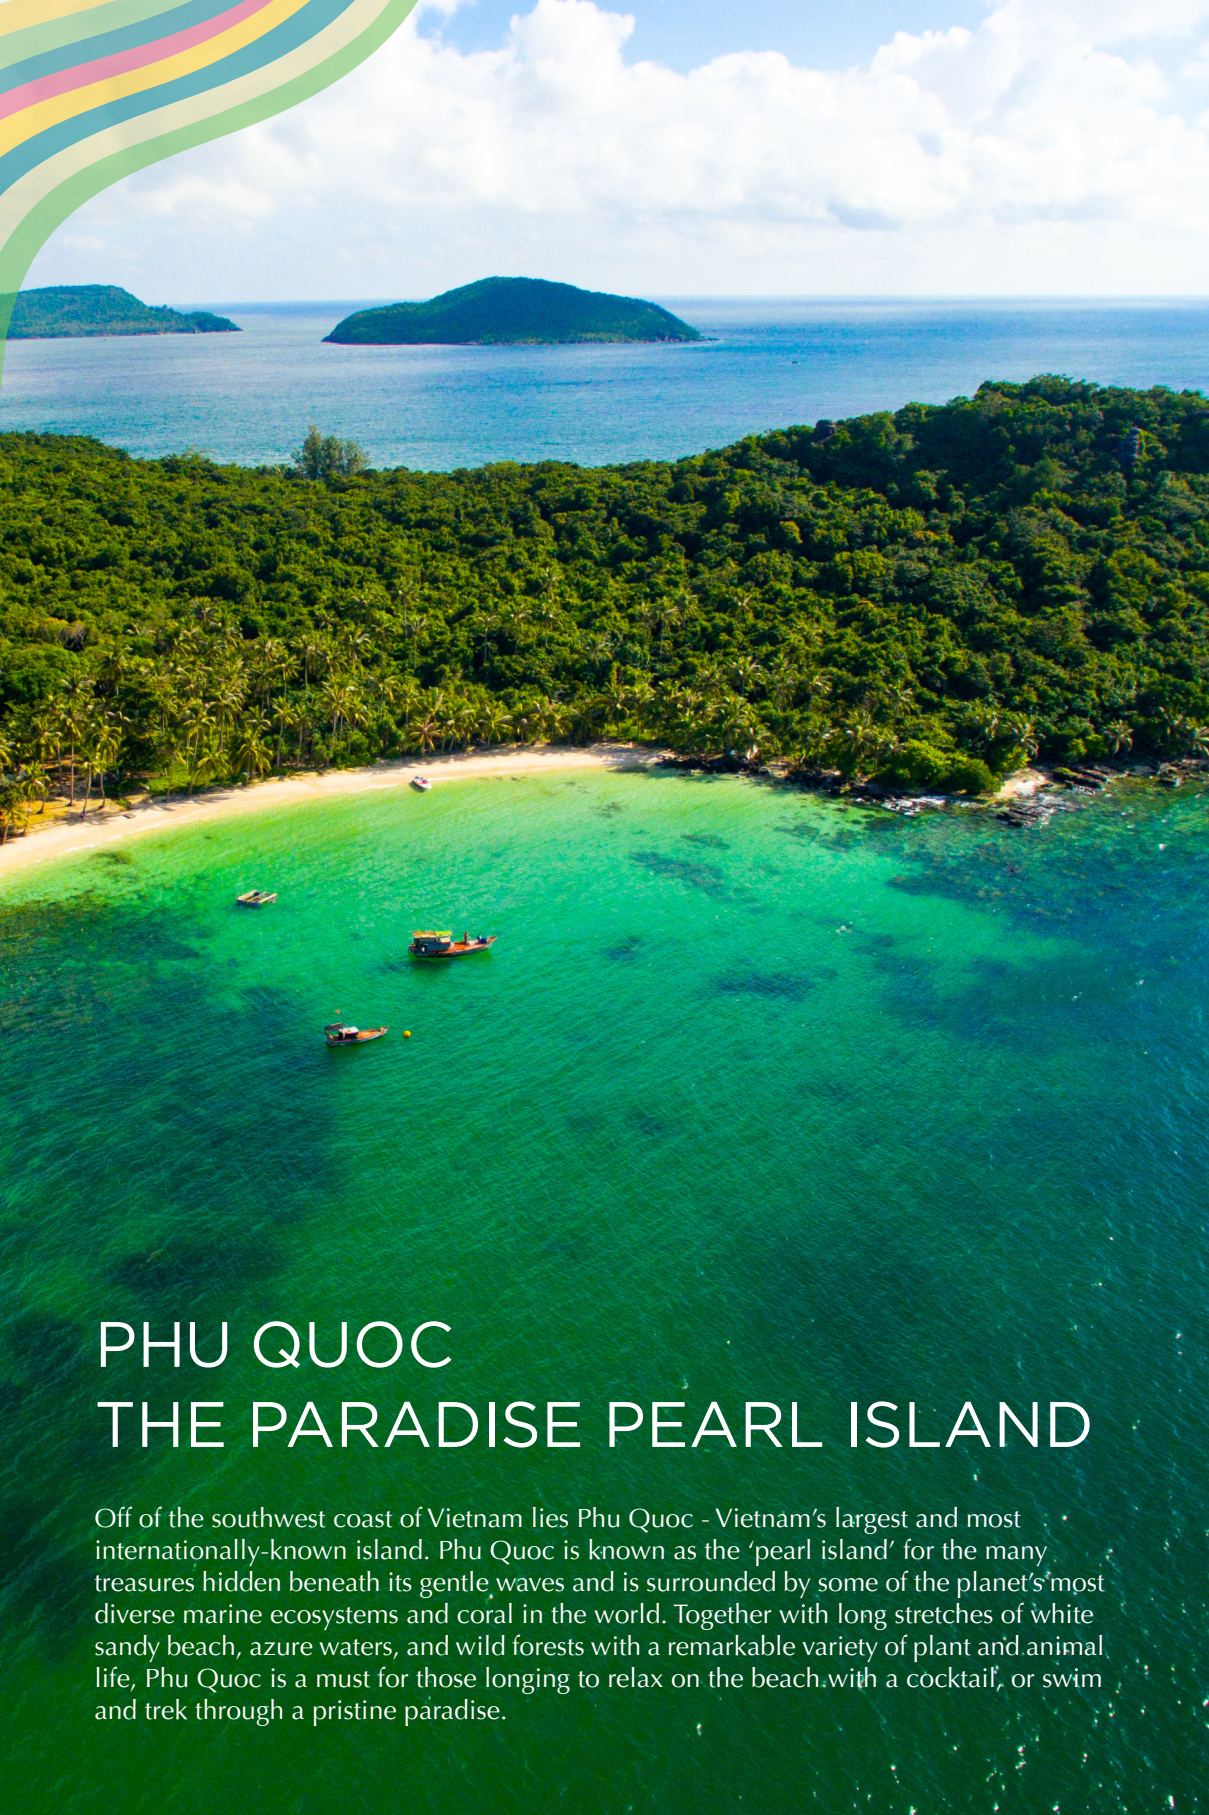

Visit pepper gardens

Phu Quoc pepper is a specialty known for its seeds, thin skin, and pungent and unrivaled aroma. Pepper is grown everywhere on the island, especially in Suoi Da and Khu Tuong. In these pepper gardens, visitors can take pictures, learn how to distinguish between different types and choose the best peppers, and shop for unique souvenirs.
